LIBRARIAN'S REPORT

January 1 - December 31, 1965

Books added:		
By purchase	217	
By gift	99	
	<hr/>	
Total		316
Borrowers	493	
Circulation - Approx.	4000	

Approximately 400 books have been borrowed through the State Bookmobile in addition to about 100 borrowed through the Library by Rev. William Davis for use in the Methodist Vacation Bible school.

Work this year has been concentrated on weeding out old and wornout volumes and bringing all cataloging up-to-date. The Librarian has spoken to two local groups and assisted with a six-weeks interchurch women's discussion group sponsored by Mrs. William Davis. During Book Week special displays were made of books for different age groups and on two afternoons the Principals and teachers of the Enfield Elementary school and the Mascoma Valley Regional high school were entertained and shown the resources available in our public library to supplement the work of the schools.

As members of the new Keene district cooperative group we received from the State a free gift of the World encyclopedia and a two volume index to the National geographic magazine. Our summer residents and many local people made us generous gifts of books. We in turn have been able to pass on duplicates and volumes not suitable for our collection to the Veteran's hospital library at White River Jct. and to Canaan College where they were much appreciated.

The State library staff held one book review meeting in our library, bringing with them some three hundred new books for us to examine and make selections for future purchase. Although the improvements made in the library last year have made it more attractive to use, our greatest need, if we are to supply the educational resources and services now considered essential, is MORE SPACE. Mr. Emil Allen, State Librarian met with the Trustees to discuss this situation and some of the suggestions made were passed on to the Chairman of the Enfield Planning board at a later meeting.

Late in 1964 your present Librarian notified the Trustees that she contemplated retirement in the not-too-distant future. After careful consideration the Trustees decided that for the best interests of the Library, an assistant Librarian should be found who would in general take over the Circulation duties and gradually work into the other routines of the Librarian before her retirement. Mrs. Agens Sloane, former Children's librarian in the Lebanon library applied for and was engaged for this position. In addition, in line with the suggestions of the State librarian, it was decided that the Library should be open more hours and our new schedule now offers 18 instead of 12 hours per week — Tuesday, Thursday and Saturday from 2 to 8 p. m. Mrs. Sloan's first assignment has been to undertake an inventory of the library collection. The children's books for Grade I to III have been combined into one group and a special "Y" group of fiction set up for both leisure reading and book reports for high school students.

The Librarian deeply regrets the retirement of two devoted members of the staff, one because of illness and the other because of her teaching commitments. Mrs. Gladys Evans came on the Library staff in 1937 and Mrs. Ann Tarney in 1944 and over the years have given exceptional service far more than warranted by the salaries paid. Mrs. Tarney has also served as Treasurer of the Board of Trustees for the past two years, and we hope will continue her interest in that capacity. Change is inevitable but we shall value and remember all the service ren-

dered by Mrs. Evans and Mrs. Tarney and look forward to that which we believe Mrs. Sloan will render our Library in the future.

Appreciation is also due Mr. Evans for his work as custodian, Miss Marion Follansbee for her willing and effective substitute service and typing assistance given the Librarian, and to the Board of Trustees for many hours of time given to administrative problems and their loyal support throughout the year.

Respectfully submitted,

Nellie L. Pierce, Librarian

As Chairman of the Enfield Board of Library Trustees I wish to add my regrets at the retirement of Mrs. Evans and Mrs. Tarney, who, as part-time members of the Library staff, have served the people of Enfield faithfully over 20 to 25 years. Since neither one could give the extra hours necessary to expand the library services this year as recommended by the State Librarian, we feel we were fortunate to have Mrs. Sloane available to come to us as assistant Librarian. Although we shall all greatly miss seeing our old friends behind the desk, we know we can count on their continued interest and support in the progress of the Library.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark of flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

The following is a report of the health activities conducted for the town of Enfield by the Public Health Nursing of the N. H. Division of Public Health for the year 1965.

There was four immunization clinics held in the town, with Dr. Brown in attendance. The following were given:

Sabin Trivalent polio vaccine — 1st — 55, 2nd — 18

On October 8 the Sterneedle TB Test was given to grades 1-5 and special class.

Number tested students 88, adults 1. There was one student reactor to the test. The reactor, family contacts and previous reactors were given chest x-rays at Mascoma Regional School at a clinic Oct. 20 conducted by the N. H. TB & Health Association. The school personnel also took advantage of this x-ray clinic.

Children in the town have been followed as necessary through the Cripple Children's Clinic and Pediatric Cardiac Clinic held at Hanover monthly. Home visits have been made as necessary to instruct on care.

Several children, from the Special Class, were given physical and psychological examinations at a special clinic held at Mascoma Regional School in October. Recommendations were made for further follow-up.

A survey has been made in the town in relation to the Medicare Home-Nursing Care program and an interview held with the local Health Officer.

My sincerest thanks for the excellent cooperation in the above health programs goes to the following: Local Health Officer, Mr. Bruce, Dr. Henry Brown, Mrs. Shirley Olson, R. N., School Nurse, the members of the American Legion Auxiliary and others who volunteered their services at the clinics. My thanks also for the use of the Methodist Vestry.

Respectfully submitted,

Lois Reed, R. N.

Public Health Nurse,
Divison of Public Health

SCHOOL HEALTH REPORT

1965 report of activities conducted at Mascoma Regional School by the N. H. Division of Public Health, Public Health Nursing, in cooperation with the school nurse and school officials.

Clinics held at Mascoma Regional School, West Canaan, with a school physician in attendance.

Immunizations:

Trivalent Oral Sabin Polio Vaccine	1st dose	50
Trivalent Oral Sabin Polio Vaccine	Boosters	32
Oral Sabin Polio Vaccine	Type 2	2
Tetanus Boosters		117
Revaccinations for smallpox (seniors)		12

A Sterneedle Tuberculin Testing program was carried out at the school. A total of 104 tests were done and 3 positive reactors were found. The positive reactors were followed up by home visits or other contact with the families and all were urged to have tests or chest x-rays, either at their family physicians or at the clinic.

A Chest x-ray Clinic was held at the school on Oct. 20 under the direction of the Public Health Nurse and the N. H. TB and Health Association. Gene Alden, x-ray technician with the TB Association was in charge of the x-rays. A total of 110 x-rays were taken. These included reactors to the tests in 1965 and previous years, family contacts and school personnel. A written report was sent to all attending. There was no active tuberculosis found, some were placed on prophylactic medication.

On October 28 a Psychological Clinic was held at the school. Wendell Butt, Jr., Psychologist gave the tests and Dr. Henry Brown gave physicals to seven children. Follow-up recommendations were made.

There is a need for more informal educational programs, directed at the teen-age groups, dealing with the subjects of communicable diseases. The Mascoma Regional School Nurse, School Physician and School officials have made some of this information available to the students, through movies and discussion periods. We believe this information will be very beneficial to the young people.

My sincerest thanks to the following for their excellent cooperation throughout the past year in making these health programs available to the children of the communities covered by the School District.

Thanks to: Dr. I. A. Dinerman and Dr. Henry Brown, School Physicians; Mrs. Shirley Olson, R. N., School Nurse, and the Mascoma Regional School officials.

Respectfully submitted,

Lois B. Reed, R. N.
Public Health Nurse,

REPORT OF THE ENFIELD PLANNING BOARD

During the year 1965-66 the Enfield town planning board has met regularly at the selectmen's office on the second Thursday of each month, and has held other special meetings and hearings as was necessary to conduct their business. It was the hope of the planning board that a master plan would be presented prior to the end of 1965. However, this was not possible for two reasons.

1. There was a delay in the approval of funds for the payment to our authorized planner, Klunder Associates, by the Governor and council.
2. The planning board devoted three of the regular meetings to the writing, printing and public hearing relative to Mobile homes and trailers. And, therefore, the assigned schedule was postponed.

It is expected that the planning board will be able to present the Master Plan to the town at a public meeting on or about the first of June in 1966. This plan has been presented to the planning board in several installments and each installment has been discussed paying particular attention to how each section could and should apply to the town of Enfield, not only for the immediate needs of the town but coupled also with a look to the future of Enfield and the predicted growth of the region, county, State and the New England region.

When this plan is published the board feels Enfield will have a plan that will be of great value in planning for the future for many years to come. The planning board has not always agreed with the ideas presented by our professional planner, but by the same token we have learned a great deal about our town as a result of his factual analysis and presentation of those facts to us.

During 1965-66 the planning board spent a great deal of time preparing a mobile home ordinance as requested in Article 13 of the 1965 town report. We have held two public hearings on this matter and it has been gratifying to have had the large turnout of people at these hearings. This ordinance has been modified in several ways as directed by the results of these hearings. There will be the need of further change to fulfill the needs of the times. In that way, this ordinance will become a vital tool of our municipal government.

Since our last report we have had two new members appointed to the board.

Richard Bryant has been appointed to replace Mrs. Jane Gosselin whose term of office expired in March 1965. Roger K. Warren is filling the unexpired term of Archer Cummings who resigned his position on the board.

Respectfully submitted,

ROGER K. WARREN, Chairman
ARTHUR BLAIN, Selectman

RICHARD BRYANT
